South Bay Union School District Hosts Subcontractor Outreach Event *Keeping local industry abreast of Prop X contracting opportunities*

SOUTH BAY- Friday, February 26, 2010, the South Bay Union School District's construction bond program will host a networking and outreach breakfast for local subcontractors and trade specialists. All local subcontractors are encouraged to attend in order to find out about upcoming contracting opportunities within the bond program. Prop X is the District's \$59.4 million modernization program. In an effort to reinvest the bond dollars back into the local community and struggling construction industry, Prop X program management is encouraging the participation of local contractors, vendors and suppliers.

Attendees will receive an overview of the program as well as specific insurance, safety and bonding requirements regarding upcoming bidding opportunities for Oneonta and Bayside Elementary Schools. Those contractors interested in attending can register at www.buildingpropx.com or call 1-888-62-PROPX.

About Prop X

Prop X will completely modernize seven of the SBUSD's twelve elementary schools, as well as improve windows, replace sewers and remodel bathrooms at the remaining five school sites within the District. Four other District projects are included in the modernization proposal: VIP Village Preschool, the Education Center, Facilities/Transportation Facility and the Purchasing/Child Nutrition Facility. For more information visit www.buildingpropx.com or call 1-888-62-PROP-X.
