Proposition X Citizens' Bond Oversight Committee to Fill Vacancies
South Bay Union School District parent representative and community member sought

Imperial Beach, CA - The South Bay Union School District (SBUSD) is currently seeking applications from qualified individuals interested in serving as a parent representative and community-at-large representative on its Citizens' Bond Oversight Committee. The committee members will oversee the expenditure of Prop X, the \$59.4 million school safety and repair bond currently modernizing the District's schools. The District is seeking a parent or guardian of a student enrolled in the District who is an active member in a parent-teacher organization such as the PTA or School Site Council. Additionally, the community-at-large member must be a resident who resides within the borders of the District.

Individuals interested in serving on the Citizens' Bond Oversight Committee for Prop X as a parent or community-at-large representative should submit his/her application and resume **no later than 5:00 p.m. on Friday, May 21, 2010**. Applications can be found at www.buildingpropx.com. Applications can be completed online or downloaded. For more information call Devonna Almagro, Prop X Outreach Manager, at 619.838.6866.

The Citizens' Bond Oversight Committee will communicate its findings to the Board of Trustees and the public to ensure that school bond funds are invested as the voters intended, and that the construction projects are completed wisely and efficiently. Current members of the Citizens' Bond Oversight Committee have been appointed by the governing board of the District from a list of candidates who submitted written applications, based on criteria established by Prop 39.

About Prop X

The \$59.4 million bond measure will completely modernize seven of the District's twelve elementary schools, which are eligible for state matching funds, as well as improve windows, replace sewers and remodel bathrooms at the remaining five school sites within the District. Four other District projects are included in the modernization proposal: VIP Village Preschool, the District's Education Center, Facilities/Transportation Facility and the District's Purchasing/Child Nutrition Facility.
